Castle Hills, Road No. 1, Masab Tank, Hyderabad – 500 057

Dated: August 12, 2016

SECOND IDRBT BANKING APPLICATION CONTEST (IBAC) 2017

The Institute for Development and Research in Banking Technology (IDRBT) is a premier Institution focused exclusively on Banking Technology. Established by Reserve Bank of India, the Institute works at the intersection of Banking and Technology, focusing on research and development, which is useful for the Indian Banking and Financial Sector.

IBAC

The popularity of “App” or “Application Software” has grown tremendously in recent years, with people across nations, irrespective of their age and gender, getting hooked to the "Apps" culture. These apps should facilitate mobility of users.

Indian banks too have been building "Apps", but the requirements of customers and banks may not be met only by the internal teams of banks. Further, "Apps" are an area where there are talented individuals, geeks and small companies, who are working with great passion, and there is a need to tap these apps for the benefit of the banking sector.

Accordingly, in order to provide a big boost to developing "Apps" and bring out the innovations happening in the area of "Apps" which could be useful for the Indian Banking and Financial Sector, the Institute started organising the national level Annual IDRBT Banking Application Contest (IBAC) in 2016. The first IBAC was held on April 11, 2016.

The IBAC aims to serve two key purposes:

- Indian Banking and Financial Community would get innovative ideas from the best technology talent in the country
- The Gen Next would get an opportunity to showcase their technology talent through this platform.

The Institute now announces the Second IDRBT Banking Application Contest (IBAC) on **April 7, 2017** at IDRBT, Hyderabad.

CALL FOR SUBMISSION

Call for App

Participating teams are invited to submit apps for the contest. A team can have a maximum of three members. The scope of the application is limited to the banking sector and is to be developed to facilitate operations in the following areas, but not limited to the following:

Apps for Customers

Electronic Payment Systems/Mobile Banking
Fake Currency Detection, etc.

Apps for Managing Business

Data Visualization
Customer/Product Analysis, Transaction Analysis, etc.

Apps for Managing Technology

SIEM Tools
IT Infrastructure Management Tools, etc.

FORMAT OF THE CONTEST

Participating teams (with a maximum of three members each) are required to submit a write-up on their proposed application (along with theories, results, screenshots) by **December 15, 2016** to ibac@idrbt.ac.in. A few teams will be shortlisted based on the applicability and quality of their submission.

The shortlisted teams will be asked to demonstrate their Apps in front of an elite panel consisting of Senior Bankers, IT Professionals and Academicians.

All members of the shortlisted teams will be reimbursed Third AC to and fro rail fare by the shortest route to attend the event.

ATTRACTIVE PRIZES

1st Prize: Rs. 60,000

2nd Prize: Rs. 45,000

3rd Prize: Rs. 30,000

Registration

Teams have to register on or before **December 15, 2016**. The Registration Fee is Rs. 1500/- per team. The mode of payment will be updated soon.

Important Dates

Last date of registration: **December 15, 2016**

Results of shortlisting: **January 31, 2017**

Final Event: **April 7, 2017**

Call for Sponsorship

IDRBT invites sponsors for IBAC 2017 in following three categories. The IBAC 2017 will be conducted along with CIO (Chief Information Officer) Forum of the Banks. Thus, this event will be graced by IT Chiefs of Banks. So, it can be a great opportunity to grab the attention of IT Heads of the Indian Banking and Financial Sector.

The sponsorship cost and benefits are as under:

Platinum Sponsor: Rs. 5 Lakhs

Benefits:

- i. Stall at the event
- ii. Organization's Logo on the Call for Application for IBAC 2017 (through mail, pamphlet and IDRBT Website) and IBAC Banner
- iii. Five Free Passes to participate in IBAC 2017.

Gold Sponsor: Rs. 2.5 Lakhs
