## **7<sup>th</sup> BANK EXECUTIVE PROGRAMME FOR SENIOR EXECUTIVES (BEP)** **(Conducted jointly by NIBM, IDRBT & IIBF)**

### **About NIBM:**

Established in 1969 by the Reserve Bank of India, in consultation with the Government of India, as an autonomous apex institution, with the mandate of playing a proactive role of “think-tank” of the banking system, the National Institute of Bank Management (NIBM) is part of the grand vision of giving a new direction to the banking industry in India and making the industry a more cost-effective instrument for national development. Helping the bank managers in their endeavor to make their organizations competitive both in domestic and inter-national markets is the mission of the Institute.

### **About IDRBT:**

Institute for Development & Research in Banking Technology [IDRBT] was established by the Reserve Bank of India in March 1996 as an Autonomous Centre for Development and Research in Banking Technology. The Institute also offers consultancy services to banks on technology related projects and issues.

### **About the IIBF:**

Indian Institute of Banking & Finance was established on 30<sup>th</sup> April 1928 as a professional body of Banks and Financial Institutions in India at the initiatives of eminent bankers, businessmen and leading industrialists. Over the years, IIBF has become the premier Institute for developing and nurturing competent professionals in Banking & Finance.

### **Genesis of the BEP:**

The Indian Banking sector is in a new phase of transformation. An important vehicle to facilitate this transformation is empowerment of the middle and senior management with the required skill-sets for handling modern banking challenges and opportunities. In the joint meet of the HR Heads of Banks held at IIBF in December, 2012, it was suggested, to introduce an Executive Development Programme for Bank Executives.

Accordingly, BEP has been formulated and being organized jointly by all the three Institutions, NIBM, IDRBT and IIBF by rotation. This programme aims at equipping bank executives, with appropriate skill sets to succeed in the emerging competitive market place.

### **Objective:**

- To develop a holistic and well-rounded leadership outlook among the executives.
- To focus on the knowledge and skills required in the areas of Human Resource Development, Risk Management and Information Technology Management.
- To equip and empower the participants with the conceptual clarity on IT and Business alignment for Banks to achieve sustainable growth.

- To inculcate advanced skills for handling emerging areas in banking & finance
- To stimulate creative and lateral thinking with an aim to develop innovative financial products/services.
- To help them appreciate emerging trends in technology and their impact on society and banking.

**Target Participants:** Senior Management Officers in Scale IV and V or in equivalent position.

**Pedagogy:** The learning methodology will be a combination of

- classroom lectures,
- case studies, simulation of business operations,
- Individual/group presentations and
- Panel discussions by distinguished speakers

**Faculty:** Experienced faculties from NIBM, IDRBT & IIBF and Experts/ Practitioners from the Banking, Banking Technology and Finance sectors.
