Programme on

Information Systems Control and Audit

Coordinator: **Dr. M.V. Sivakumaran**

SEPTEMBER 24 – 28, 2018

Information Systems Control and Audit

September 24 – 28, 2018

Coordinator: **Dr. M.V. Sivakumaran**, Assistant Professor, IDRBT

e-mail: mvsivakumaran@idrbt.ac.in

Introduction

The Information System Auditors and Managers have a greater role in providing the much needed assurance to the management and all other stakeholders in banks, that:

- * The Information Systems and related resources of the bank are being properly acquired or developed
- * The IT infrastructure is properly created, used and adequately protected
- * The risks in handling Information Assets are adequately identified and accordingly managed.

This five-day programme would offer meaningful insights into all the major areas of concern for IS Auditors and Managers in banks and the related risks and controls.

Objective

To provide the bankers who are associated with the control and monitoring of IT resources in banks, at operational and policy-making levels, basic inputs on ensuring safety, security and reliability of the IT resources of the organization.

Contents

- * IT Governance
- * IS Audit Policy, Guidelines and Standards
- * Application Controls – An Overview
- * Database Security and Controls
- * Network Security & Controls
- * Web Application Security (OWASP)
- * PKI for Security in Financial Applications
- * CAATs – An Introduction & Demo
- * Auditing BCP/DR
- * Outsourcing Risks & Controls
- * Auditing CBS & Delivery Channels
- * Data Centre Management and Monitoring
- * Cyber Crimes and Forensics

Who Can Participate?

IS Auditors and other officials/executives of Banks and Financial Institutions associated with safeguarding and auditing Information Systems and IT infrastructure at administrative and/or operational levels.

End Use

Participants would be able to monitor IS and IT resources of the bank with care and confidence. The knowledge gained by them in this programme would help them undertake IS Audit with a heightened awareness of security and control concerns. They will also have a better understanding of using computer assisted audit tools and techniques effectively.

This programme would be extremely useful for CISA aspirants. And ISACA qualified professionals like CISAs and CISMAs can get 25 CPE Hours for updating themselves through this unique, industry-oriented programme.

Faculty

Faculty of IDRBT, Guest Speakers from the Industry & Practitioners.
