BANKING TECHNOLOGY**  
(Established by Reserve Bank of India)

**PRESS RELEASE**

There have been press reports regarding a study of security aspects of Aadhaar done by Shri S. Ananth, an adjunct faculty member (not regular faculty) of Institute for Development and Research in Banking Technology (IDRBT). The views expressed therein have been wrongly attributed to RBI researchers in certain sections of the media. It is clarified at the outset that neither RBI nor its researchers were in anyway connected with the study. Further, the views expressed in the study are those of the author alone and do not represent the views of IDRBT or RBI.
